Hi we are a new Distributor of Quality European Optics. We also will have some Militaria type items and Patriotic Patches.

We promote firearm safety and preservation for future generations, God Guns and Guts built this Country and we believe that this should be passed on too!

The optics are made in Checkoslovakia with high quality standards, Gas purged, fog proof, water proof, shock proof, double o ring seal, free lens covers and a no nonsense lifetime warranty!

We are selling a superior Cleaner Lubricant and Preservative called Ballistol, If you hunt fish or shoot and you are not using this stuff you are missing out See below!

Ballistol Mix Ratios

Black Powder = 50% Ballistol 50% Water to clean then pure Ballistol to preserve!

Military Corrosive = 10% Ballistol 90% Water to clean then pure Ballistol to preserve!

Smokless modern ammo = pure Ballistol does it all!

Emulsifies with water + Never gums or hardens + Works on leather and wood + Official lubricant of our Navy Seals + Biodegradeable will not harm people or the envroment + Polishes Brass + Removes trace metals from firearms + Neutralizes skin oil (finger prints) + Adopted by German Army 1905 + Withstood a Harsh 25 year test with outstanding results +

We are very proud to handle this fine product!
We know you will be delighted with the results!
